The current owners have had many years of great memories in this neighborhood. Now, it's your turn to enjoy everything that this beautiful home and property has to offer. Nature lovers will welcome the opportunity to be only a half mile from Allaire State Park and the Golf Course, while still being just a short drive to all of the area's popular beaches. Allaire Woods offers true suburban living in the perfect location for commuters who can't wait to get home . . . enjoy relaxing in their yard and taking a dip in the pool. Friends and Family will be happy to join you, as this is the perfect setting for indoor & outdoor entertaining. This five bedroom, 3 bath home is warm and welcoming in every way. There is even a first-floor bedroom for guests or multi-generational living. The cavernous basement is currently being used for storage; but it is ready to be finished if you need additional living space. You are on a private cul-de-sac with many long-time owners who covet one of Wall Township's best kept secrets. Similar sized homes have sold in Wall for much more, which makes this an opportunity to take advantage of now. A quick Closing is possible.
